DRIVEN BY RIDERS

THE 2019 CAN-AM LINE-UP
OUR MOST CAPABLE LINE-UP YET

YOU'LL FIND US AT THE OUTER LIMITS, OUT OF SIGNAL RANGE,
IN THE THICK OF IT, OUR EYES TOWARD THE HORIZON.
RACING, TUGGING, SLIDING, POWERING ACROSS THIS EARTH,
UNTIL WE'RE ABOVE IT. PAST IT. BROKEN THROUGH. FINISHED.
SOME CALL IT A CHALLENGE, THE JOURNEY, A THRILL:
WE CALL IT REALITY. WE'RE BUILT FOR THIS.

WE'RE BUILT FOR HARD WORK

WHEN YOU LIVE AND WORK OFF THE BEATEN PATH, TRUST IS EARNED. EARNED THROUGH ENDURANCE. EARNED THROUGH CAPABILITY. AND EARNED THROUGH ALL-DAY COMFORT. THAT'S WHY WE BUILD OFF-ROAD VEHICLES TO PERFORM WITH YOU, NOT AGAINST.

TRAXTER

OUTLANDER

TRAXTER

FROM TOP TO BOTTOM, CAN-AM TRAXTER SIDE-BY-SIDES HAVE BEEN ENGINEERED TO OVERCOME OBSTACLES AND MAXIMIZE A HARD DAY'S WORK.

TOUGH

Designed from the core to stop, steer, and perform with confidence, the Can-Am Traxter is equipped to never quit. With one of our heavy-duty Rotax® engines, not only will it take on your never-ending to-do list, it'll ask for more.

CAPABLE

Built with Can-Am's legendary reliability, Traxter thrives on a hard day's work. If you can think it, chances are the Traxter can do it.

CLEVER

When you sweat the details, you'll relish in your results. Engineered to adapt to its rider's needs, the Can-Am Traxter can conquer anything you throw at it: from the farm, to the ranch, to the hunt, to a ride with family and friends. It does it all. And with smart solutions like cockpit storage and a cargo box, you'll be able to store whatever you need for whatever you're doing.

YOUTH

OUTLANDER

INTRODUCING THE NEW 2019 OUTLANDER: RE-IMAGINED FROM RIDER DOWN.

THE MOST CAPABLE, READY-FOR-ANYTHING OUTLANDER EVER. WITH IMPROVED HANDLING, INCREASED STABILITY, BETTER PERFORMANCE, AND A NEW LOOK, THE 2019 OUTLANDER TRULY IS BUILT FOR WHATEVER YOU THROW AT IT.

PERFORMANCE

Built to last and ready for a blast, Can-Am Outlanders are reimagining what it means to get out there and give 'er.

HANDLING

Corrective steering is a thing of the past. The Can-Am Outlanders are built for stability and precision, so they go where you tell them to, no questions asked.

DESIGN

Form, function, and fun. That's the DNA of the Outlander family, and that's what goes into the design of each and every vehicle. What does that mean for you? It means riding in comfort and looking good wherever you go.

MAVERICK TRAIL

ADVENTURE WOULDN'T EXIST WITHOUT A MEANS TO EXPLORE. THAT'S WHY WE CREATED THE MAVERICK TRAIL. BUILT WITH A CAN-AM SOUL AND A ROBUST ROTAX ENGINE, IT'S PRIMED TO TAKE YOU WHEREVER YOUR HEART LEADS IT.

AGILE

At just 50 inches wide, the Maverick Trail is built for almost every trail system out there. Combine that with unmatched comfort, precise handling, and industry-leading stability and you might never want to come home.

CONFIDENT

Capability is the foundation of confidence. So when you combine Can-Am DNA with a robust 50-inch stance and enhanced protection, you inspire the courage to push every boundary ahead of you.

ADVENTUROUS

The Maverick Trail was engineered with three simple words in mind: "Let's keep going." And with the comfort and capacity of Ergo-Lok technology, going farther has never been easier.

ACCESSORY LIST

This vehicle: Maverick Trail DPS

YOUTH

WE LIVE TO BUILD THE BEST OFF-ROAD MACHINES, AND THAT STARTS WITH THE CAN-AM YOUTH ATVS. THEY COMBINE ALL OF THE PERFORMANCE, PRECISION, AND DURABILITY YOU'D EXPECT FROM A CAN-AM VEHICLE WITH THE SAFETY AND INTUITIVE OPERATION YOU'D HOPE FOR IN YOUTH ATVS. THE NEXT GENERATION OF RIDER IS GEARING UP TO GO. GET 'EM ON A PROPER VEHICLE.

INTUITIVE

The Can-Am DS is tailor-made for first-time riders. With a 4-stroke engine with an electric starter, getting started couldn't be easier. And because its CVT transmission doesn't require shifting, your little ones can give all of their focus to the trail ahead. There's even a speed limiter if they start to get ahead of themselves.

CAMARADERIE

Bring your little ones into the world of riding. Share quality time outdoors, and create memories that will make them the envy of all their friends.

COOL

Badass looks meets Can-Am capabilities. And for aspiring racers, the X package [performance shocks, brakes, exhaust] dials up the cool factor even more.

WE'RE BUILT FOR ADVENTURE
YOUTH

MAVERICK

MAVERICK SPORT

RENEGADE

MAVERICK

MAVERICK WASN'T BUILT FOR LEISURELY DRIVES IN THE COUNTRYSIDE. IT WAS BUILT TO MAKE YOUR EYEBALLS RATTLE IN YOUR HEAD. FROM ITS AGGRESSIVE FUTURE-FORWARD DESIGN TO ITS ERGO-LOK COCKPIT THAT PUTS THE DRIVER AT THE HEART OF THE VEHICLE, IT'S ENGINEERED TO FEAST ON ANY TERRAIN WITH UP TO 172 TURBOCHARGED HORSES.

DEFIANT

Maverick is unlike any other side-by-side. It doesn't see dunes, trails, and rocks as terrain. It sees them as one big playground.

PRECISE

Out there, you're going to want a vehicle that goes exactly where you tell it to. With a lightweight chassis and sport-tuned suspension, Maverick is just that vehicle.

POWERFUL

0-60 MPH in 4.4 seconds. Need we say more? Okay: 172 turbocharged horses, and 125 lb-ft of torque at 6,500 RPM. Let 'er rip!

WE'RE BUILT FOR PERFORMANCE

NEW MAVERICK SPORT

MAVERICKS, MEET THE MAVERICK SPORT, OUR MOST VERSATILE MAVERICK YET. AT 60 INCHES WIDE AND WITH 1000R ROTAX ENGINE, YOU CAN GO FROM THE TRAILS TO THE DESERT TO ROCKS ALL IN THE SAME RIDE. WE'VE PUSHED ITS LIMITS. NOW IT'S YOUR TURN.

DARING

When you put Maverick DNA into a 60-inch frame, you don't just get a Maverick Sport, you get a way of life. You get power, precision, and the unmatched ability to go from the trails to the desert to the rocks and back again.

CONFIDENT

Stability, capability, driveability – they're all the building blocks of confidence. It's what you want in a vehicle, so it's precisely what we put into the Maverick Sport.

PRECISE

Precision is a word that gets tossed around a lot. But when you extend your wheelbase to be longer than the competition, and then add a sport-tuned suspension, precision is exactly what you get. What does that mean, exactly? You point. It goes.

Because of our ongoing commitment to product quality and innovation, BRP reserves the right at any time to discontinue or change specifications, price, design, features, models or equipment without incurring any obligation. Some models depicted may include optional equipment. BRP highly recommends that all ATV drivers take a training course. ATVs can be hazardous to operate. For your safety: always wear a helmet, eye protection, and other protective clothing. Always remember that riding and alcohol/drugs don't mix. Passenger must be at least 12 years old and able to hold handgrips and plant feet while seated against the backrest. Never carry passengers on any ATV not specifically designed by the manufacturer for such use. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. Read the side-by-side vehicle (SSV) Operator's Guide and watch the Safety DVD before driving. Fasten lateral net and seat belt at all times. BRP urges you to "TREAD LIGHTLY" on public and private lands. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Photo taken outside the European Union, on private or authorized terrain. Ride responsibly, only in authorized locations, and respect the regulations applicable in your country. Respect the environment and other users. Some models and accessories depicted may not be available (or homologated) in your country. Specifications for EC-homologated units may differ slightly from specifications mentioned herein.
